

Задача(Виконати рев'ю вимог)

Епіс 1

Реєстрація нового користувача

User Story 1 (Отримання коду активації)

Як новий користувач сайту,
я хочу мати можливість отримати код активації на номер телефону для подальшого створення профілю, вказавши у формі реєстрації Прізвище, Ім'я, По-батькові, Дату народження, Номер телефону та E-mail на сайті.

Acceptance Criteria

1. Функціональність повинна бути доступною і для комп'ютера, і для моб девайсу.
2. Поле "По-батькові" має приймати до 50 символів
3. Мінімальний вік реєстрації нового користувача 18 років.

Requirements review

Questions:

1. Are the fields Last Name, First Name, Middle Name, Date of Birth, Phone Number, and Email mandatory to fill in? If yes, what error message should be displayed if any of them are left blank?
2. What characters are allowed for input in the Last Name, First Name, and Middle Name fields?
3. What is the allowed range of characters (minimum and maximum) for the Last Name and First Name fields?
4. Should uppercase letters be allowed in the Last Name, First Name, and Middle Name fields?
5. Are there any error messages planned for invalid input in the Last Name, First Name, Middle Name, Date of Birth, Phone Number, and Email fields? If yes, what should those error messages be?
6. In what format should the Date of Birth value be entered? Will it be a text field, a calendar picker, a dropdown list, or another format?
7. What is the maximum age that can be specified during registration?
8. In what format or mask should the Phone Number value be accepted?
9. Is there any email validation required?
10. Should email validation includes checking for Russian domains?
11. Should a confirmation email be sent to the user upon registration?
12. On which browsers should this functionality be available?
13. Can the activation code contain both letters and numbers?
14. Is there a specific format or pattern that the activation code should follow?
15. Can the activation code include special characters or symbols?
16. Are there any restrictions on the minimum or maximum length of the activation code?

17. Can the same activation code be used for multiple users, or does it need to be unique for each user?
18. Is there any expiration time or validity period for the activation code?
19. Can the user request a new activation code if the previous one expires or is lost?
20. How will the system validate the entered activation code?
21. Are there any error messages or notifications that should be displayed if the activation code is invalid or does not meet the requirements?
22. Is there a maximum number of attempts allowed to enter the activation code?
23. How will the system handle cases where the user enters an incorrect activation code multiple times?
